

A Fresh Approach to Payment Processing

Accept and process payments in-store, online, and on-the-go. Find the perfect payment solution for your business, anywhere you do business.

Merchant Services To Grow Your Business

We're in the business of helping you grow. Designed to make payment processing easier for small businesses, the Apollo Trust Merchant Services Program gets you paid faster and keeps your customers happier. It's simple enough to get started immediately and flexible enough to scale with your growing business.

Apollo Trust offers merchant services powered by Pineapple Payments, a Pittsburgh-based payments technology company, to ensure accepting payments for your business is simple, secure, and affordable.

- ▶ Secure Payment Acceptance
- ▶ Seamless Transaction Management
- ▶ Cost Savings + Transparent Pricing

Benefits to Bolster Your Business

- + **Flexible Payment Methods:** Accept ACH, Credit, Debit, even gift cards, and receive fast funding for all the ways your customers pay.
- + **Transparent Pricing:** See how optimized pricing reduces your processing fees. Easy-to-read statements make it clear to understand what you're paying.
- + **Streamlined Reporting:** Access transaction lifecycle reports and manage payments in real-time. Integrate with your accounting systems to automate bookkeeping.
- + **Industry-Leading Security:** Secure your business and customer data with PCI-Certified security solutions that increase your protection and reduce your scope of risk.
- + **In-Person Payments:** Choose from a variety of smart terminals (Virtual, EMV, and Mobile) and POS systems that enable in-store, in-person, or card-present payments.
- + **Online Payments:** Get easy online payments acceptance with simple setup Hosted Payment Pages that enable eCommerce, electronic invoicing, customer self-service, and more.
